DEEPSTACK

The genesis of a brand

Internal Document | *09/06/2026*

What is DeepStack ?

In terms of branding, it only comes down to 2 questions :

How to make it different ?
How to make it cool?

What is DeepStack ?

Key attributes we want to instill in the brand

- *Hi-Tech*
- *Mysterious*
- *Highly distinctive*
- *Exclusive & respectful*

DEEPSTACK

How are others doing?

Realistic Events / Realistic Environments

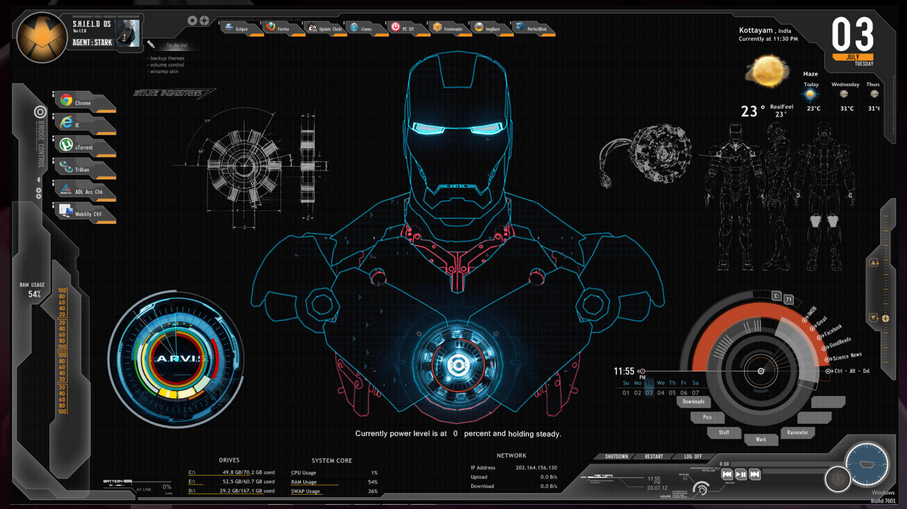
Realistic Events / Realistic Environments

Brand Positioning

Realistic Events / Surreal Environments

Interpretation by movie design language

Which movie has the closet tone and feel that matches the new brand’s identity?



Ironman : Surreal Events happening in Surreal environments

DEEPSTACK

Interpretation by movie design language

Which movie has the closet tone and feel that matches the new brand’s identity?

Pros : Futuristic looks & feel
Cons : Almost comicky that may lose respect from audience
